Mr. Mike Manager
Team Leader
Target Stores
1153 Buttehouse Road
Yuba City, CA 95993

Dear Mr. Manager:

In response to your recent advertisement, please accept this letter in application for the Team Member position currently available within your store.

I am currently a junior at Yuba City High School and I am actively involved in many extracurricular activities. I believe my experience as a volunteer handyman for elderly citizens and my work with the organization, Friday Night Live, would be an asset to your business. As a member of your team, I would strive to provide excellent customer service and assistance to my fellow team members.

I look forward to meeting with you to discuss further how my skills and qualifications can benefit your store. Thank you for your consideration.

Respectfully yours,

Will Worker
