Dear Mr. Manager:

Thank you so much for taking the time to interview me today for the Team Member position.

I felt a wonderful rapport not only with you, but with the entire team. I am more convinced than ever that I will fit in beautifully as a member of the team. My abilities to follow directions, work independently and take initiative would contribute to the growth and success of your store.

I can make myself available for any further discussions of my qualifications that may be needed. I appreciate you and your staff taking so much time to talk with me about this exciting opportunity.

Respectfully yours,
